International Hygiene Solutions  
Designed for your business

Pudumjee Hygiene has transformed India's hygiene horizon forever. Thanks to Pudumjee's world class range of hygiene products, the Indian consumer has tasted innovation, style and colour like never before. White dispensers have given way to smart greys, electric blues, jet black and shimmering silver. Shapes, designs and sizes that one could only dream of a few years ago, are now a beautiful reality in many washrooms across India. And finally automatic, sensor powered dispensers have ushered in the 'touchless' revolution in India. There's a range of first time products available to consumers including automatic deodorisers, toilet seat covers, 100% recycled, natural tissues and towels in a variety of shapes and textures. This is just the beginning...
